Nishant Kedare

Software Engineer

Dedicated and results-driven software engineer with a strong background in Laravel. Committed to delivering innovative and efficient software solutions by leveraging my expertise in these technologies. My passion for problem-solving drives me to continuously seek the best solutions for complex challenges. I am eager to contribute my skills and knowledge to a dynamic team, delivering high-quality software products that meet and exceed client expectations.

Experience

2024 - Current

Smart Sight Innovations | Thane, Maharashtra

Associate Software Developer

Interacted with the team to discuss problem-solving approaches. Replying to clients on JIRA, resolving their doubts, and answering questions. Designing project structure and Database. Working closely with business analysts to understand the client's requirements and give the ETAs accordingly. Designing documentation and diagrams for a better problem-solving approach. Exploring new technologies and working on them based on the needs. Code optimization.

Projects

Diwan Auto Care

Diwan Auto Care is a family-owned business that knows the meaning of value. For more than 40 years, we've met the needs of different generations with our traditions of honesty, expertise and quality – having you and your family, come to us for the life of your vehicle. Previously known as Tyre Best, Battery Best Sales-N-Service and Auto Care Centre have merged in April 2019 and become Diwan Auto Care LLP with more than 50 team members ready to serve you. We've served Thane west Side, meeting the Tyre, Battery and auto repair needs of customers from Thane & Bhiwandi as well as the surrounding areas. See our experienced team today!
